Cayci L. Vuksanovich

I am locally born and raised and a graduate of our beloved Globe High School. My family is third generation in Matlock Gas, a propane distributorship.

I originally ran for the Globe Unified School Board to become more involved in the “business” of the school district and learn the finance laws that pertain to schools. I had a daughter in school at that time and loved being the honorary “Mom” of the class of 2006. Children of all ages need support, guidance and mentoring and as a member of the community, I am delighted to do all I can. With each of us helping, our children can realize their dreams and become vital additions to society as a whole.

I truly believe in being involved in the community as a whole and school board is an excellent way to give back. I also support and believe in local school governance and am excited to see more people volunteering to run for this board.

I have been a member for 8 years and would like to continue to serve for at least two more. You know I will stand up for what I believe, with integrity and honesty and am always available for a conversation. I will do my best, at all times, and will be accountable for my actions

.
I would sincerely appreciate your vote, to allow me to continue as a member of the Globe Unified Governing School Board.

Thank you,

Cayci L. Vuksanovich
